

## Safe Spaces Agreement

As we move to increased online engagement in order to protect members' health, Kwantlen Chief & Council are committed to creating safe spaces that encourage respectful and meaningful dialogue about Kwantlen's custom governance code and the community engagement process.

To further this goal, all Kwantlen members participating in the engagement process are asked to sign this Safe Spaces Agreement about respecting the ground rules that members developed together, and about keeping what's shared during the process confidential among Kwantlen membership.

**Please read the text below, sign on the line at the bottom of the page and return the form prior to participating in the upcoming session on July 15, 2020.** Please scan or take a picture of the form and email or send it via text message to Donna Leon at [donna.leon@kwantlenfn.ca](mailto:donna.leon@kwantlenfn.ca) or 604-785-5740.

I, \_\_\_\_\_ [print your name] confirm that I am a member of Kwantlen First Nation and agree that I will respect the attached ground rules for the engagement process developed by Kwantlen members together.

I further agree that I will not share with anyone who is not a Kwantlen member any comments or information exchanged during Kwantlen's custom governance code engagement process. I understand that this relates to both spoken and written communications by Kwantlen members, Chief & Council, and facilitators and lawyers assisting Kwantlen, including comments during online and in-person engagement sessions, updates, reports, questionnaires, any draft or final governance code, and any other written materials.
